Museum Management and Curatorship

Author and Subject Index to Volume 9 (1990)

NOTE. Titles of main articles and subject headings are in **bold** type, titles of publications in *italic* type, and items in 'World of Museums' and 'Professional Notes' sections in roman type. Specific aspects of subject categories are indicated in parentheses after the details of author and pagination. Publications are indexed under author (including corporate bodies), except for periodicals, which are under title. The abbreviation PD under subject headings refers to items in the Publications Digest sections.
